City Updates Snow Emergency Routes

STAMFORD, CT - The City of Stamford has updated its snow emergency routes for the 2014-2015 winter season pursuant to Section 231 of the City Code of Ordinances. A full listing of routes is included below. The City urges residents to review the snow emergency route listing.

During a snow emergency, all vehicles parked on snow emergency routes must be removed. Snow emergency routes are clearly marked with red and white signage. Vehicles that remain parked on the route will be towed at the owner's expense. City garages located at Bedford Street, Summer Street and Bell Street will be available for parking free of charge if a snow emergency is declared.

Residents can call 203-977-4140 for more information.
